## Senior Tax Work-Off Program

Each fall the Thompson School District accepts applications from senior citizens to work off a portion of their property taxes by volunteering in our schools.

The tax work-off program is full for the 2011-2012 school year. If you are still interested in helping in one of our schools on a volunteer basis, call Chris Ingold, Volunteers and Community Events Specialist, at 613-5072.

If you are interested in applying to the tax work-off program for next year, watch for information in the local newspapers and on our website starting in September 2012 or call Chris Ingold for more information.

Eligibility guidelines for the tax work-off program:

- Applicants must be 62 years of age or older.
- Applicants must own and live in the home for which they are applying.
- Applicants must reside in the Thompson School District boundary area.
- Only one person per household may apply.
- Applicants will be paid for a maximum of 30 hours at minimum wage.
- Due to budget constraints, a limited number of applicants will be accepted.
- Applications will be processed on a first-come-first-serve basis.
